

# AMERICAN FORGE&FOUNDRY

## 40" ANGLE HEAD CREEPER

MODEL 3908A

**DESIGN** – Adjustable head rest is built with 3 stop positions at 15°, 30° and 45° to allow for a wide range of work applications.

**FEATURES** – Drop rail design provides extra shoulder and arm clearance to provide maximum working comfort. Equipped with six professional-grade swivel casters that allow effortless travel across the shop floor.

**MATERIALS** – Fully padded bench is made with a 1.4" high-density foam. A black powder coated finish provides maximum durability and long shop life. Polyurethane wheels are resistant to most shop chemicals.

Model	Size L x W x H	Head Adjustment (in degrees)	Clearance	Max Capacity	Cushion Thickness	Wheel Size	Weight (lbs)
3908A	40.8" x 17" x 4.4"	15/30/45	2.4"	400	1.4"	2.5"	17.6
