The Lift King MC Paint Stand Package is simple to use and is built durable and designed for longevity.

The stand has 3" swivel brake casters that make moving parts an easier task. The upper adjustment bar is telescopic, allowing the painter to raise or lower the parts into the perfect position for the highest quality outcome.

Bases and attachments can be purchased separately

Motorcycle Frame Stand SKU: MC7000

The Lift King MC Frame Stand comes with everything needed to quickly connect to the Motorcycle Frame without needing any tools. It is designed to secure the frame in the best positions for stability.

By using this stand, painters can work on the frame and spray the frame without any obstructions or movement. The Frame Stand is very easy to use and is an excellent addition for shops that do any custom, paint, or air brush work to motorcycles.
